

# 12th International Congress of Therapeutic Drug Monitoring & Clinical Toxicology

October 2-6, 2011 • Stuttgart, Germany

**Prof. Dr. Michael Oellerich**  
Göttingen, Germany

## DEGREES:

Chemical Pathologist (Facharzt für Laboratoriumsmedizin)

## EMPLOYMENTS:

1996-1998 Dean of the Faculty of Medicine  
1999-2004 Deputy of the chief executive for research and teaching on the executive board for the Medical Center and Faculty of Medicine  
Currently Chairman of the Department of Clinical Chemistry / Central Laboratory at the Medical Faculty (UMG) of the Georg-August-University Göttingen, Germany

## HONORARY FELLOWSHIPS:

2006 Royal College of Pathologists (FRCPath)  
2007 Romanian Society of Laboratory Medicine  
2009-2010 External Examiner for the Second Professional Examination of the Faculty of Medicine at the Chinese University of Hong Kong  
Currently Faculty of Pathology of the Royal College of Physicians of Ireland (FFPath RCPI)

## PROFESSIONAL SOCIETY COMMITMENTS:

1997-1999 President of the International Association of Therapeutic Drug Monitoring and Clinical Toxicology (IATDMCT)  
Since 2009 Member of the Steering Committee of EUROLIFE, a network of European centers of excellence in life sciences  
2001-2002 President of the German Association for Laboratory Medicine  
2003-2005 President of the German United Association for Clinical Chemistry and Laboratory Medicine  
2005-2007 Secretary-treasurer of the World Association of Societies of Pathology and Laboratory Medicine (WASPaLM)  
Currently President of WASPaLM

## PUBLICATIONS:

More than 350 articles contributed to scientific journals and book chapters

## EDITORIAL BOARDS:

1996-2007 Associate Editor of Clinical Biochemistry

# 12th International Congress of Therapeutic Drug Monitoring & Clinical Toxicology

October 2-6, 2011 • Stuttgart, Germany

Currently Editor-in-Chief of the journal Therapeutic Drug Monitoring and Associate Editor of Clinical Chemistry

## PRIZES AND AWARDS:

- 1971 Ludolf-Krehl prize of the S.W. German Soc. for Internal Medicine
- 2001 IATDMCT Charles Pippenger Award for Outstanding Contributions to Therapeutic Drug Monitoring
- 2002 Canadian Society of Clinical Chemists Travelling Lectureship Award
- 2004 Professor-Landbeck-Award
- 2004 Society for Thrombosis and Hemostasis Research, Hamburg
- 2004 Perth PathCentre Visiting Lectureship, Western Australia

## RESEARCH INTERESTS:

Therapeutic drug monitoring, the metabolism and pharmacokinetics of immunosuppressive drugs as well as pharmacogenetics. Further topics include liver injury, analytical techniques (e.g. LC-MS/MS) and molecular diagnostics.
