

# 12th International Congress of Therapeutic Drug Monitoring & Clinical Toxicology

October 2-6, 2011 • Stuttgart, Germany

**Prof. Dr. Eberhard Wieland**  
Stuttgart, Germany

## DEGREES:

- 1983 M.D. (Dr.med.),
- 1997 Habilitation (Priv. Doz.),
- 2007 Extraordinary Professor (Prof. Dr. med.) of Clinical Chemistry and Laboratory Medicine

## PROFESSIONAL REGISTRATIONS:

- 1993 Chemical Pathologist (Klinischer Chemiker)
- 1993 Clinical Pathology Consultant (Arzt für Laboratoriumsmedizin)
- 2005 European Clinical Chemist (EurClinChem)

## EMPLOYMENTS:

- 1983-1984 Resident Dept. Internal Medicine, University Heidelberg, Germany
- 1984-1985 Resident Dept. Medical Microbiology, Dept. Internal Medicine, University Heidelberg, Germany
- 1985-1987 Postdoctoral fellow, Dept. of Endocrinology and Metabolism, University of California, San Diego, USA
- 1987-1996 Resident Dept. of Clinical Chemistry, University Göttingen, Germany
- 1996-2000 Head physician (Oberarzt), Dept. of Clinical Chemistry, University Göttingen, Germany
- 2000-2003 Professor of Clinical Chemistry, Deputy Chairman (Leitender Oberarzt) Dept. of Clinical Chemistry, University Göttingen, Germany
- Since 2003 Medical Director (Ärztlicher Direktor) Central Institute of Clinical Chemistry and Laboratory Medicine, Klinikum Stuttgart, Germany
- Since 2008 Medical Director (Ärztlicher Zentrumsleiter) Center for Clinical Pathology, Pharmaceutics and Hygiene, Klinikum Stuttgart, Germany

## PROFESSIONAL SOCIETY MEMBERSHIPS:

- American Heart Association (AHA)
- Deutsche Arbeitsgemeinschaft zum Studium der Leber (GASL)
- Deutsche vereinte Gesellschaft für Klinische Chemie und

# 12th International Congress of Therapeutic Drug Monitoring & Clinical Toxicology

October 2-6, 2011 • Stuttgart, Germany

Laboratoriumsmedizin (DGKL)  
European Atherosclerosis Society (EAS)  
International Association of Therapeutic Drug Monitoring and Clinical  
Toxicology (IATDMCT)  
Society For Free Radical Research (SFRR)  
Transplantation Society

## **PUBLICATIONS:**

Over 90 articles contributed to scientific journals and book chapters on the following topics: immunosuppression, therapeutic drug monitoring, atherosclerosis, oxidative stress.

## **JOURNAL EDITORIAL BOARDS:**

Folia Medica, Plovdiv, Bulgaria  
Clinical Biochemistry, Canada

## **PRESENTATIONS:**

Over 100 invited lectures and presentations have been given at universities, research institutes and symposia in the United States, Australia, Austria, Belgium, Bulgaria, Canada, England, Germany, Italy.

## **FOUNDED RESEARCH:**

Continuous funding since 1985 from sponsors such as German Research Foundation (DFG), Volkswagen Foundation, European Union (EUPEAH), and Industry (Novartis, Siemens Healthcare, Roche Diagnostics, Thermo Fisher, Falk).
